Our Lady of Lourdes you chose as your helper a child ignorant in the ways of the world, yet despite all the favours which you heaped upon Bernadette, she remained humble and innocent, because you promised her happiness not in this world but in the next. Obtain for us the grace to be humble in heart and pure in mind, in order that we, in our turn, may obtain your favours.

Lord Jesus, we have spent these days in union with our pilgrims and with one another. At Mary's request we have all come to pray and to do penance for our sins. Grant our prayers Lord, which we make to you through your Mother Mary: that the Church may grow in love of you, especially the Church in our country; that more young people will choose to follow you through a life of service in your Church; that people will find employment; that the sick and the disabled may find health and contentment in your abiding presence and through our concern; that all people may learn to love one another; that our families will always reflect the loving harmony of Jesus; that our Archdiocese may follow you more closely, you who are the Merciful face of the Father.

This we ask through Christ our Lord. **Amen.**
